

Potential Disruptive Activities on Campus October 19 through October 24, 2020.

**TCNJ CAMPUS MAP
2019**

- A. Art/IMM 2nd Floor Balcony:** Public access to this area is still restricted.
- B. Domestic water piping:** BSC patio, Music and Packer sidewalks will have the concrete put back this week now that the tie ins are completed. The sidewalk between Green Hall and Roscoe Hall will be half closed at times while the cross over/valve installation occurs over the next 3 weeks. **Note: water shut down is scheduled for Thursday 10/22 @ 2:30pm – Friday 10/23 4pm for Packer, Green Hall and Lions Stadium in order to complete their new tie ins.**
- C. Emergency Condensate and Chilled Water pipe replacement at Armstrong/Kendall courtyard:** Custom piping has been ordered, ship date has been confirmed for November 5. Sidewalk replacements may begin this week where they can be installed.
- D. Lacrosse field:** replacement of the e-layer and base stone continues for the next few weeks. Trucks will be leaving and entering at Metzger road, signs are in place. Then the new turf will be installed (weather permitting).
- E. Admin. Building:** Information Tech. has some materials on order. Once they are received the space will be finished.
